

## 2010/2011 – WATER & SEWERAGE CHARGES : A BRIEF SUMMARY

### WATER CHARGES

The following Charges, will come into effect on 1 April 2010 and operate for the twelve months to 31 March 2011 in accordance with the terms of the Company's 2010/2011 Charges Scheme. VAT is payable only for non-households in Standard Industrial Classification (SIC) 1-5. One cubic metre (m<sup>3</sup>) of water = 1000 litres.

### UNMETERED SUPPLIES

Standard Charge of £128.32 per annum.

The Standard Charge will be payable on 1 April 2010 but an Occupier may choose to pay by 2, 10, 22 or 44 instalments during the year. Details available on request.

### METERED HOUSEHOLD SUPPLIES

A Consumption Charge plus an Annual Standing Charge will be payable.

| Tariff          | Consumption Charge     | Annual Standing Charge |
|-----------------|------------------------|------------------------|
| Standard Tariff | 98.17p/m <sup>3</sup>  | £27.00                 |
| SoLow           | 134.17p/m <sup>3</sup> | Nil                    |
| Aquacare Plus   | 56.84p/m <sup>3</sup>  | £58.00                 |
| WaterSure       | Nil                    | £122.00                |

### Assessed Charges

An annual charge will be payable only where a domestic customer has requested a free meter option but this has been refused by the water supplier on the grounds of impracticality or unreasonable cost. This charge will be based on the Company's assessment of the likely consumption at the premises having regard to the circumstances of each case and using the Company's consumption data and anticipated occupancy.
